Matthew 5: 43 & 44 You Have heard that it was said "Love your neighbors & hate your your enemy. But I tell you, love your enemies & pray for those who persecute you.

Matthew 6: 14 & 15 For if you forgive others when they sin against you, your heavenly Father will also forgive you. But if you do not forgive others their sins, your Father will not forgive your sins.

Pinks Crystal Radio is a non-profit radio station & need donations from our listeners to keep going. It's Tax Deductable & any amount you can send is very much appreciated, so if you feel in your heart to make a donation, the information is at the bottom of the Web Site. The DJ's are all volunteers, but there is a cost to keep it going, even a small amount adds up. If you are unable to make a donation,

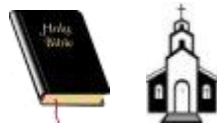

please keep the station & DJ's in your Prayers.

We changed servers, so had to change our web address. www.pinkscystalradio.com When you get in there, click on the high or low band & then the green button, a Streaming box will pop up. Unfortunity when we change DJ's you'll need to click on pause/play to refresh.

Due to DJ's being on vacation, family time or health problems, the DJ Schedule can change at anytime.

We need more DJ's to fill in during those times, so if you think you would like to try it, let Pastor Crystal or one of us know & we'll past it on to her. It's real easy to learn & a Blessing to be able to do it. Pastor Crystal does all the training & she's an excellent trainer & won't leave to DJ alone until you're ready. All you need is a good puter & music if you have any, Pastor Crystal will give you all the rest that you'll need.

Gods Word is at 10:00 am EST everyday, Bible Study is Wed at 3:00 pm EST & Friends Church is Sun at 6:00 pm EST. Hope to see you there, but you can listen even if you're not in the chat room.

We have many folks needing Prayer. Pastor Crystal, DJ Silverfox & DJ Maureen have all had eye surgeries & need continued Prayer, The Devil has been busy putting in viruses in some of the DJ's puters, wiping out all their music & costing to get back up & running. Listener Lela had knee surgery & many have had illness. Rossi continues to need Prayer, when she has an infusion, she's very ill afterwards. Also tho they are better keep DJ Donna's mom & DJ Tika's hubby Scotty in Prayer. Ruby has eye problems & can barely see, her hubby Bob also has had many health problems & she has a new great grandson, born with a hole in his heart & an enlarged Sleen, Tim's sister Vicki(Boopsie) is in the hospital with congestive heart failure & her sugar is out of control.

We've had some pass away since my last newsletter. My daughter Debbie lost her battle with Cancer & passed away Mar 31, 2013. Rene, Eagle John & Sherry(Luvmysis) also died of Cancer, but I don't know the dates.

This is our Pet Corner, If you have pictures of your fur babies, send them to me & I'll put them in this section.

I have a new fur baby, her name is Perty Girl. This is when I first got her, she's had a bath now & is Perty, & NO DAVE, YOU CAN'T HAVE HER

In this section, I'll put pictures you send me, so if you have some you want to share, please send to me.

As most of you know, several of us went to Lancaster, Pa for a reunion. We had a wonderful time & can't wait until next Sept when we're meeting in Branson, Missouri. I'll be doing a separate newsletter for it or this one would be too big & I have a lot of work to do to resize & tag the pictures. If you want your pictures in it, please send them to me. So far I only have Nick & Nicki's & mine.

GREETINGS FROM COLLEEN AND EVELYN!

WOW! AND A GOOD TIME WILL BE HAD BY ALL! We currently have 25 deposits or paid in full reservations! You can preview the home at www.vbro.com/137392 or it is the RUSTY MOOSE HOME on the VBRO web site!

In analyzing the room contents, this is what I think we have available for us:

MAIN LEVEL

- **Bedroom # 1 1 King Bed and 1 daybed with single trundle (sleeps 4)**
- **Bedroom # 2 1 King Bed (2 people)**

Both of these seem to be handicap accessible

The Great room on that level has 2 Queen Sleeper sofas (4 people)

- **2nd LEVEL**
- **Bedroom #3 1 King and 1 day bed with single trundle(4 people)**
- **Bedroom #4 1 King and 2 twin trundles on the floor (4 people)**

3rd LEVEL

- **Bedroom #5 1 King (2 people)**
- **Bedroom #6 1 King (2 people)**

LOWER LEVEL

- Bedroom # 7 1 King (2 people)
- Rec room has 1 Queen Sleeper Sofa and 1 day bed with Trundle (4 people)

They do have rollaway beds available if anyone has an aversion to sleeping with someone else, but since they are mostly king size, we pray that is not a problem. We would need to know if someone wants a rollaway to put in one of the many "living areas".

We should clarify that we are not assigning rooms, except for main level, so it will be on a first come basis!!!

There are a lot of activities in Branson and you can go on Branson.com to see the many that are offered. Currently we only have one event planned for all and that is "JONAH", the production that will be playing at the Sight and Sound Theater!

The rent is \$4800 for the week with a \$275.00 cleaning fee. The amount for each of us is only \$200 apiece.

That amount will stay the same, whether you are there 2 nights or the entire week.

We are planning breakfast and dinner at the house to save \$\$\$, but that could change once we get together as a group and decide what everyone wants to do!

THE BALANCE OF THE RENT IS DUE BY APRIL 1ST AND SHOULD BE SENT TO

SIGHT & SOUND

Sight and Sound Theaters of Branson, Missouri presents JONAH!

September is getting closer and closer!!

If you have not already done so, please let Colleen know if you are interested in attending "Jonah".

Send an email to Colleensue1956@yahoo.com with the word JONAH in the subject line. <Or tell her in chat... but make sure she acknowledges you! You know how crazy chat can get sometimes!!>

You will need to mail a check or money order payable to [Colleen Duncan](#) for \$43.00 per person. The address is [21 Evergreen Street, Broomfield, Colorado 80020](#). IMPORTANT: You need to tell Colleen if you need special provision as in handicap seating.

PLEASE DO NOT SEND YOUR MONEY FOR JONAH TO PASTOR CRYSTAL...IT IS A REAL PAIN FOR HER TO SEPARATE THAT MONEY FROM WHAT GOES TO SUPPORT THE STATION. COLLEEN WILL BE PAYING FOR THE TICKETS -- SO THIS MONEY NEEDS TO GO TO COLLEEN!

The sooner we get the total money paid, the better our seats will be! And, of course, we want to sit together <next to the handicap seating>. SO, request a deadline for your money to be received by Colleen by June 1, 2014. The plan is to attend a 3:30 pm matinee on Thursday, September 25th; but of course, that showing is not guaranteed until we get our money in!

If you would like to see more information about the theater and the production, here's a link.

www.sight-sound.com There is even a sneak peak video of JONAH if you click on "SHOWS".

Looking forward to seeing you all there!

WE LOVE OUR PINKS CRYSTAL RADIO FAMILY! Colleen and Evelyn

Update on me.

As I said above, I lost my daughter Debbie last Mar. She passed away on Easter Sun Mar 31, We had to have a quick memorial service for her on Mon, since my son Mike, granddaughter Stacey, grandsons Tim & Todd & their wives had to get back to work, & great grands back to school. They had already been there a week & their bosses were calling, They left Mon after the service. I had been packing during that week after I came home from the hospital for the day.

Mike & I left Tues April 2, to head for Arkansas. I drove his car packed & with Josie, Debbies cat. Mike drove my truck towing the biggest Uhaul enclosed trailer they had. My cat Sissy had gotten out & was gone quite a while. The day after we left, she came home & my son-in-law Jim called me. I'll tell more about her when I do the Lancaster trip.

We arrived in North Little Rock late on Wed & went to bed. The next day we unloaded what I needed at the apartment & took the rest to the Storage Mike had rented. It was a Studio apartment, but a good size. His Lease was up the end of Aug, so in July we started looking for a house to rent & moved me in here about the 17th of July. Originally Mike would have been here with me, but right after he went back work, he got hurt unloading & after he was released by the Dr, the company he drove for, transfered him to Texas & soon after let him go, if they had done so here, he could have gotten a job here.

A driver he had trained years before at another company had been wanting him to come to work where he was, so as soon as he got home, he called him & was hired right away. The only thing is he's back to driving long distances again, so that's why I've been requesting prayer everyday for him. He was driving in snow storms & etc.

Anyway I love my new home. It's in the Ozarks, 3 bedroom house on aprox 1/2 acre(guessing) I found a new home church & love it. It's a small church, but very friendly.

I've been very busy crocheting clothes for dolls I order from Amazon. Besides filling orders for them from family & friends, I'm also selling them at the Ozark Classic Craft Mall in Hardy, Arkansas. It's a Historical town & tho they sold well at Christmas, I'm hoping they do even better during the Summer. <https://www.facebook.com/OzarkClassicCrafts> The owner Marc is a Christian & makes many Christian items. Here's a sample of my dolls.

Here's a picture of Sally(pupma) & me at our Prayer Shawl meeting. I live about 17 mi from her & we always go for lunch after the meeting.I knew she lived in Ark, but at first I was 2 1/2 hrs from her, what a nice surprise when we started looking in this area for a house to rent & I found out she lived here too.
